CONNECTING

Please make use of the conference app for social connection. Adding a profile picture and brief description is a great way to let other attendees know more about your work and practice.

PRAYER

While we will not have the amazing prayer stations as we've had the past 2 years, make no mistake, prayer will still be central to the conference. Find a member of the prayer team if you are in need of prayer at any time during the conference and pay attention to specific times of (safely) gathering together for prayer.

6

DON SMITH SCHOLARSHIP SILENT AUCTION

We will still have the Silent Auction to raise money for our Don Smith scholarship fund for counseling students. Be sure to go by "Austin I" during the conference and bid.

QUESTIONS/TROUBLESHOOTING

You can send any questions or get help by sending a message to the "Conference Team" group in the app as well as just finding a Conference team member at the conference directly.

AFTER THE CONFERENCE

7

All CE's will be emailed to you after the completion of the conference (2-3 weeks).

Make sure you have completed all session evaluations for workshops you have attended as they are necessary for getting your CE.

Once you receive your CE certificate for the conference, please open, review, download and save for your future reference. If there are any mistakes, those cannot be corrected after 30 days from the end of the 2021 conference.
